PROJECT

DEVELOPMENT CHARGE REVIEW

On behalf of various homebuilders in the Town of Rockland, located east of Ottawa, PPAL was retained to conduct a review of the Town's proposed Development Charge Bylaw to ensure that the proposed rate was reasonable and defendable. The assignment involved a thorough review of the proposed Bylaw and background report, participation at two public meetings, negotiations with the Town staff and an appearance before the OMB. Outstanding differences were finally negotiated and a settlement agreement was arrived at.
